

21st CENTURY COMMUNITIES

Monthly Peer-Learning Webinar Series

2nd Thursdays every month,
12:30 - 2:00pm on Zoom

Peer-Learning Cohort on climate-friendly, green development for teams of local leaders guiding large-site & transit-oriented developments. Learn more & RSVP:
<https://rccmn.co/21st-century-communities/>

- AUDIENCES:**
- Teams of local leaders guiding transit-oriented development & large-site re-development
 - City & county development staff, local elected officials, planning and environmental commission volunteers, developers, community advocates, and planning, engineering, architectural, energy & construction partners
- VISION:** Low-carbon, equitable & resilient - zoning, buildings, energy, transportation & green spaces
- CONTACT:** Sean Gosiewski, Executive Director, Resilient Cities and Communities, 612 250-0389 sean@rccmn.co

Equip your local team with successful project cases, policy tools, and funding incentives

- We're inviting teams to send 2 - 4 reps to our monthly calls to learn from your peers (pick your topics of interest)
- Share & learn how your team can guide your city's large-site & transit-oriented developments to advance high-performance buildings, district geothermal, E.V. and solar-ready construction, bike, pedestrian & transit-friendly, complete neighborhoods with shared mobility & district green spaces, energy, stormwater & parking

The 21st Century Development Matrix (open source)

AIA MN, UMN CSBR, Colloqate - from standard to regenerative, 7 Areas: Place, Water, Energy, Health + Happiness, Materials, Equity, & Beauty www.21stcenturydevelopment.org/development-matrix/

Support the 21st century communities peer-learning webinar series

- We're inviting businesses, nonprofits & agencies to become co-sponsors rccmn.co/become-an-rcc-sponsor-partner/
- Thanks for completing our [short survey](#) to share what your team is working on
